# Animal Tracking Bracelets

# About Us

We are Fahlo. We partner with non-profit organizations to create bracelets that come with a real animal to track

We started this mission in 2018, and since have been fortunate to donate hundreds of thousands of dollars to save wildlife

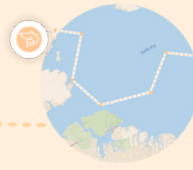

By combining a tangible bracelet and interactive tracking experience, our goal is to educate customers about wildlife and excite them about conservation

# Each Bracelet Tracks an Animal

Each bracelet comes with an animal tracking card with their name and picture

Gain knowledge of their amazing stories, where they came from, and best of all...

Get exclusive access to their tracking maps
